

## NOTICE

In June of 2000, the parents of several students in the District commenced a class action lawsuit challenging and seeking to monitor the District's practices with respect to Special Education (including Section 504 of the Federal Rehabilitation Act, 29 U.S.C. § 794). The parties engaged in extensive proceedings over many years. This has led to a settlement. Under the settlement, there is no finding of liability of any party. In addition, it is agreed that there shall be no monitoring of the District's Special Education programs and practices by Plaintiffs or their representatives or by any other person or entity with respect to the allegations in the lawsuit. The insurance carrier for the District is paying the sum of \$300,000 to the attorneys for Plaintiffs as part of the settlement of this litigation which has extended over a period of 12 years.
