

Helpful Information about our elementary cafeteria the Blue Devil Café!

Free & Reduced Meal Application: A new form must be filled out each school year. Students are full price until an application is approved and on file.

Here at Attica Central we have a point of sale system called **My School Bucks**. You can go to myschoolbucks.com or download the app! This system allows you to view your child's meal account balance, set up low balance reminders and even prepay online. You will be able to see what and when your child is eating school meals.

Each student has an account and prepayments may only be used **for breakfast, lunch or milk**, unless a parent/guardian sends in a note stating the child may use account money for ala carte (snack) items. Please include the amount per day your child may spend on ala carte or we will assume it is unlimited.

Prepayment Available: Prepayment is available at all schools and online at myschoolbucks.com. Prepayments can be made in any amount, however any single payment into one child's account of \$50.00 or more, will entitle that child to one free bonus meal of their choice! If you wish to send the payment directly to the school, please send it in a sealed envelope with the students name and cafeteria written on the envelope. Checks should be payable to ACS Lunch Fund.

Money Saving Tip: Have your child get a yogurt or cereal breakfast and eat the yogurt or cereal with the milk and take the juice and belly bear crackers up with them for their daily snack! If you would like to take advantage of this option, please let us know so we can give your child a bag to take his/her snack up to the classroom.
