Re: Athletic Merger
Date: 03/10/15

I would like to request board approval for a merger with the Batavia School District in the following athletic program: **Boy's Lacrosse**. This merger will allow another way for Attica Central to expose and create opportunities for our student-athletes in the promotion of a well rounded educational experience.

All transportation and any monies associated with participating in this merger will be picked up at the expense of each athlete's family. There will be no cost to the Attica School District.

I would like to thank each and every one of you for any consideration that you may give me on this matter.

Sincerely,

Eric Romesser
Athletic Director
