

June 2020

Dear Parents,

To help get ready for the next school year, we are sending out the school supply list now. This way you can shop and buy when items are on sale or as you have the money. If you could please send these items in with your child the first week of school, we would appreciate it. These supplies will help us throughout the school year in achieving all that we do in the classroom. Thank you so much. Have a great summer from room 206.
