Paul J. Clark, Principal

August 7, 2018

Dear Mr. Thompson,

I would like to recommend Mrs. Elizabeth Kowalski to the position of (5-12) Math Teacher for the Attica Central School District. Mrs. Kowalski has completed the requirements for New York State Professional Certification for Mathematics (Grades 7-12) and New York State Professional Extension Certification for Mathematics (Grades 5-6). She has completed her Bachelor of Arts in Adolescent Education from Canisius College as well as her Master of Science in education from Canisius College. Mrs. Kowalski has been an 8th grade Math Teacher and an AIS Math Teacher for grades 3-8 at DeSales Catholic School for the past five years where she has received glowing recommendations. Mrs. Kowalski also teaches summer school for the Lancaster and Depew school districts. I am very excited to recommend Mrs. Kowalski as a full time probationary Elementary teacher and believe she will be an excellent addition to our district. Thank you for your consideration.

Sincerely,

Paul Clark

RE: Special transportation request

My recommendation to the Board of Education is to approve this transportation request. We already have two students attending Genesee Christian Academy from our district. This request will not put an added burden on our 2018-2019 school budget.

Ralph E Marvin
Transportation Expeditor

Re: Substitute Teacher

Recently, I interviewed Miss Jennifer Buczek for a substitute teacher position. Miss Buczek is a graduate of the State University of New York, College at Buffalo and holds certification in Childhood Education grades 1-6. In addition, she has earned a Master's of Education Degree in School Counseling from Niagara University. She has experience as a substitute in the Clarence, Lancaster, and Cheektowaga school districts and is very much interested in working as a substitute teacher in our district.

Please let this letter serve as my recommendation for Miss Jennifer Buczek to be placed on the Pre-K-4 substitute teacher list for the Attica Central School District.

If you have any questions or concerns, please feel free to contact me.
Thank you.
