

ATTICA CENTRAL SCHOOLS
DAVID BARBER
SUPERINTENDENT OF BUILDINGS AND GROUNDS

INTEROFFICE MEMORANDUM

TO: ATTICA CENTRAL BOARD OF EDUCATION
FROM: DAVID BARBER 
SUBJECT: DISTRICT SAFETY PLAN UPDATE
DATE: MAY 2, 2013
CC: MR. THOMPSON, MR. DZLAK, MRS. BREISSINGER

MD

Under this cover are the updated District-Wide School Safety Plan and the Building-Level Emergency Planning Summaries. Mr. David Connors from Connors Security Consulting, LLC, provided the draft to be reviewed by the Emergency Operations Team. After a 30-day period for public comment and a public hearing, the plan should be brought before the Board of Education for adoption. Our timeline is to advertise the public comment period from May 27th – June 27th, with written comments on the proposed Plan being accepted in the District office through the close of business on June 27th. **The public hearing will be held at the beginning of the June 27, 2013 board meeting.** All Building – Level Plans are developed by the individual Building Teams and are confidential; therefore not subject to disclosure under Article 6 of the Public Officers Law. After adoption, I will submit the updated District-Wide Safety Plan to the New York State Education Department, as required.

Moving forward, each Building Team will continue to meet and finalize their individual Building-Level Plans. During the summer, Mr. Connors will be back in district to perform table top drill exercises with our Emergency Response Team. As you remember, we began this process last fall and, with all of the recent incidents, we are fortunate to be on the forefront of having best practices in place. I am thankful for your support in contracting with Connors Security and in seeing this process through to completion.

I will be happy to address any questions on content or process to complete the Safety and Security plan updates.
