Re: Elementary Teacher Recommendation

Recently, interviews were conducted for an elementary teaching position at Prospect Elementary School. After an interview with Mr. Thompson, the Attica Central School District's Superintendent of Schools, Mrs. Eleanor Durfee is being recommended to this position.

Mrs. Durfee graduated from the University of Rochester with her Master's Degree and is certified in Childhood Education Grades 1-6. She has worked in our district as a substitute teacher, long-term substitute and, most recently, worked as a long-term substitute for a full year for a second grade teacher at our building. During this time, Mrs. Durfee was successful in implementing appropriate curricular lessons, providing students with a nurturing environment and differentiating her instruction to meet the varying needs of the students in her classroom. Mrs. Durfee is very excited about the opportunity to work in our district and I believe she will be a talented addition to our staff.

I have attached her resume for your review. If you have any questions or concerns, please feel free to contact me.
